

RespiroN Consulting AB was formed in 2009 and is owned by Ola Nerbrink who acts as a consultant within inhalation product development

Ola Nerbrink has a Ph D in Occupational Medicine and has been active in the pharmaceutical industry since 1985. During this time he has worked with development of inhalers and inhaled products for two major pharmaceutical companies, AstraZeneca in Lund, Sweden and NovoNordisk A/S in Hilleröd, Denmark. Between 2011 and 2013 he was employed by FOI in Umeå, Sweden where he was a deputy research director responsible for the aerosol activities for the armed forces. In 2014 he returned to RespiroN Consulting to act as a consultant full time. He also acts as CEO of MVIC AB, in part time, as of May 2014 to May 2017. Today he works part time as VP Business Development for MVIC AB and as Senior Business Developer for Inhalation Sciences AB in Stockholm.

He has been a member of both the Swedish (SIS) and Danish (DS) standardisation organisations, acting as an expert when developing EC and ISO standards. Between 2002 and 2008 he was a member of IPAC-RS and EPAG. Over the years he has acquired a broad network of contacts in the inhaled field, both within the industry and academia. He has more than 20 papers published in the inhaled field in recognised journals and is a frequent lecturer at international conferences.
